

## Why should I register at the parish?

There are many benefits to becoming a registered parishioner at the parish.

- A sense of belonging and identity in a parish community.
- It is a commitment to practice your faith.
- Registration enables the pastor and staff to get to know you better, to welcome you and to minister to you. This is especially important during a time of crisis so that the pastoral staff can attend to your spiritual needs and the needs of your family.
- Registration helps you stay connected with your parish and helps your parish stay connected with you. Providing your contact information is important so that parishes provide you timely updates via email, direct mail, phone, etc. Also, if you use offertory envelopes or online giving, you will also receive a year-end statement of your donations for income tax purposes, as requested.
- Registered active members are eligible for sponsor/godparent validation.
- Census numbers may determine how many priests are assigned to a parish and how many Masses and enrichment programs are planned and scheduled.
