Volunteer Opportunities for Parishioners

*Dear Friends,*

Thank you for taking the first step towards getting more involved in the life of our parish community by reading this booklet. Whether you are looking to just dip your toe in the water or immerse yourself in parish activities, there is something here for everyone.

As you peruse the offerings here, I would encourage you to think of two “pathways” to getting involved. One is to explore what you need right now to grow in your discipleship. What would benefit you most?

The second is to explore how God might be calling you to give of yourself. How can you use your gifts and talents to serve others? Sometimes these two pathways merge: in serving others, we learn lessons vital to our discipleship.

Nevertheless, we must always strive for the disposition of student and servant of Christ. Then we learn that all things are possible with God. Things we never expected to do or experience become a reality in our lives. Just being open to grace and willing to give of ourselves opens up new possibilities not only in our lives but in the lives of those around us.

Those interested in volunteering with minors will need to apply, complete Safe Environment training, and undergo a background check. We appreciate your cooperation in keeping our children safe!

If there is anything in this booklet you would like to learn more about, *do not hesitate to reach out*. Feel free to call the parish office at **603.224.2328** to get more information on any of the ministries listed in this booklet. You can also email the parish office, **parish@christthekingnh.org**.

We look forward to hearing from you and helping you discern what God has in store for you!

God bless!

*Father Rich*

# CHRIST THE KING PARISH

## MISSION

Christ the King Parish, through the power of the Holy Spirit, is committed to proclaiming the Life, Death, and Resurrection of Jesus, and forming missionary disciples who will transform our world.

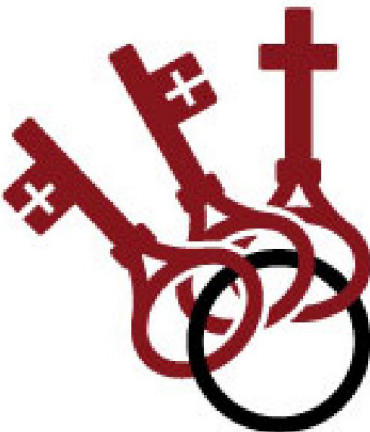

## VISION

Christ the King Parish is a vibrant and growing Catholic faith community that brings people to Jesus, forms disciples and sends them out to transform our world. Every member is committed to gather, to worship, to grow, to serve, and to give.

## WHAT IS A “MISSIONARY DISCIPLE?”

A missionary disciple is someone who strives to have an intimate, personal relationship with Jesus, shares their faith with others, is open to the gifts of the Holy Spirit, and pursues knowledge and love of the Scriptures. A missionary disciple prays daily, seeks to learn more about the Catholic Church and her faith traditions, serves in the community and has a commitment to the Sunday Eucharist.

Missionary disciples have hope in God’s goodness and desire to participate in the sacrament of Reconciliation. Lastly, a missionary disciple invites others into the joy of the Gospel by living a life modeled on Jesus’ example, and endeavors to follow God’s Will in all things.

# Our Plan for Renewal

## WORSHIP

Jesus is the center of our plan as He is the heart that pulsates Life into us as Church. We worship Jesus who reveals the Father to us in the power of the Holy Spirit. The Eucharist is the highest form of worship and calls us to community. It is when we are evangelized, are engaged in the discipleship process, and are seeing and experiencing community that worship, especially the Mass, fully comes to life. It is in this way that, as expressed by the Second Vatican Council, the Eucharist can achieve its proper place as "the source and summit of the Christian life" for all parishioners.

## INVITATIONAL CHURCH

This is not a ministry or program but a mindset, or a "heartset." It is an attitude, a disposition toward others. We strive to have an invitational culture at Christ the King Parish. This simply means that we invite and we welcome. It's what we do, whether to Mass, Alpha, Emmaus, or other events that we host. This stems from our missionary call. We want to share with others the love we have encountered in Jesus.

## ALPHA

Alpha is a basic course in Christianity. At Alpha, people hear the Gospel in a fresh way, encounter Jesus, experience the Holy Spirit, and are welcomed into an experience of Christian community. We have found Alpha to be the best first step for people distanced from church or those with little to no experience of the Christian faith, in addition to reigniting the faith of lifelong Catholics. We desire all of our parishioners to have this experience and to be familiar with this tool so they can share it with others.

## **LEADERSHIP DEVELOPMENT**

Leadership Development is our commitment to raising up and supporting parish leaders. For instance, Alpha guests are often invited to come back as an Alpha Team member, where they continue to grow spiritually, serve others, and eventually exercise leadership. This pattern serves as a model for developing leaders in all parish ministries. We want to recognize each other's gifts and help each other to grow in leadership and skill.

## **CONNECT/FELLOWSHIP GROUPS**

Connect Groups are small and mid-sized faith communities where each member is known, loved, and cared for in a personal way. They are led by active parishioners but could include anyone interested in exploring the Christian way of life. They commit to meeting regularly, seeking to grow in faith, staying connected with our parish, and striving to love each other well. Our parish will provide engaging resources for study, and help interested individuals connect with a particular group.

## **DISCIPLESHIP GROUPS**

Discipleship Groups are focused on better understanding our faith. These may be Bible studies or other adult faith formation programs. Typically, they are small groups of 4-10 people. Unlike Connect Groups, they are temporary, meeting only for a particular program. Emmaus is another type of discipleship group where our parish family comes together to learn and grow. We encourage every parishioner, whether in a Connect Group or not, to participate in Discipleship Groups each year.

## **MINISTRY**

Every parishioner, discerning his/her call from God, should be involved in ministry. Ideally, we seek ministry involvement to come forth from within Connect Groups, where individuals will be encouraged and supported in their current ministry. We desire all parishioners to be serving from their God-given talents and passion in a life-giving way.
